CONFIGURATION MANAGEMENT

PUPPET

The screenshot displays a list of four pull requests on a GitHub interface. The first pull request is a merge request titled "Merge pull request #1625 from andreicristianpetcu/master" by user fdammeke, authored 6 hours ago. It includes a commit hash of f191244 and a code diff icon. The following three pull requests are all titled "renamed uwezo.propertiesFile" by user andreicristianpetcu, each authored 7 hours ago. Each of these three pull requests includes a commit hash (ac171d7, c8da189, and b737afb respectively) and a code diff icon.

Author	Title	Commit Hash	Time Ago
fdammeke	Merge pull request #1625 from andreicristianpetcu/master	f191244	6 hours ago
andreicristianpetcu	renamed uwezo.propertiesFile	ac171d7	7 hours ago
andreicristianpetcu	renamed uwezo.propertiesFile	c8da189	7 hours ago
andreicristianpetcu	renamed uwezo.propertiesFile	b737afb	7 hours ago
